

GAS WATER HEATER

Fill out a **LMT Building Permit application**. A Building Permit application can be either downloaded from our LMT.org website or picked up at LMT Township Building. Fill out Location, Cost, Explanation of Work to be done, and Section IV on Application.

Include a **Plumbing Sub-code** form and a **Mechanical Sub-code** form. Sub-code forms can be found on LMT Website under Planning and Zoning Department.

Attach a copy of Manufacturer's Specifications of water heater.

Submit permit application to Planning and Zoning Department.
